Luxury Ecuadorian Roses

colomflor.com

Rosas del Corazón (RDC) is an Ecuadorian plantation - a boutique of unique varieties of luxury roses.

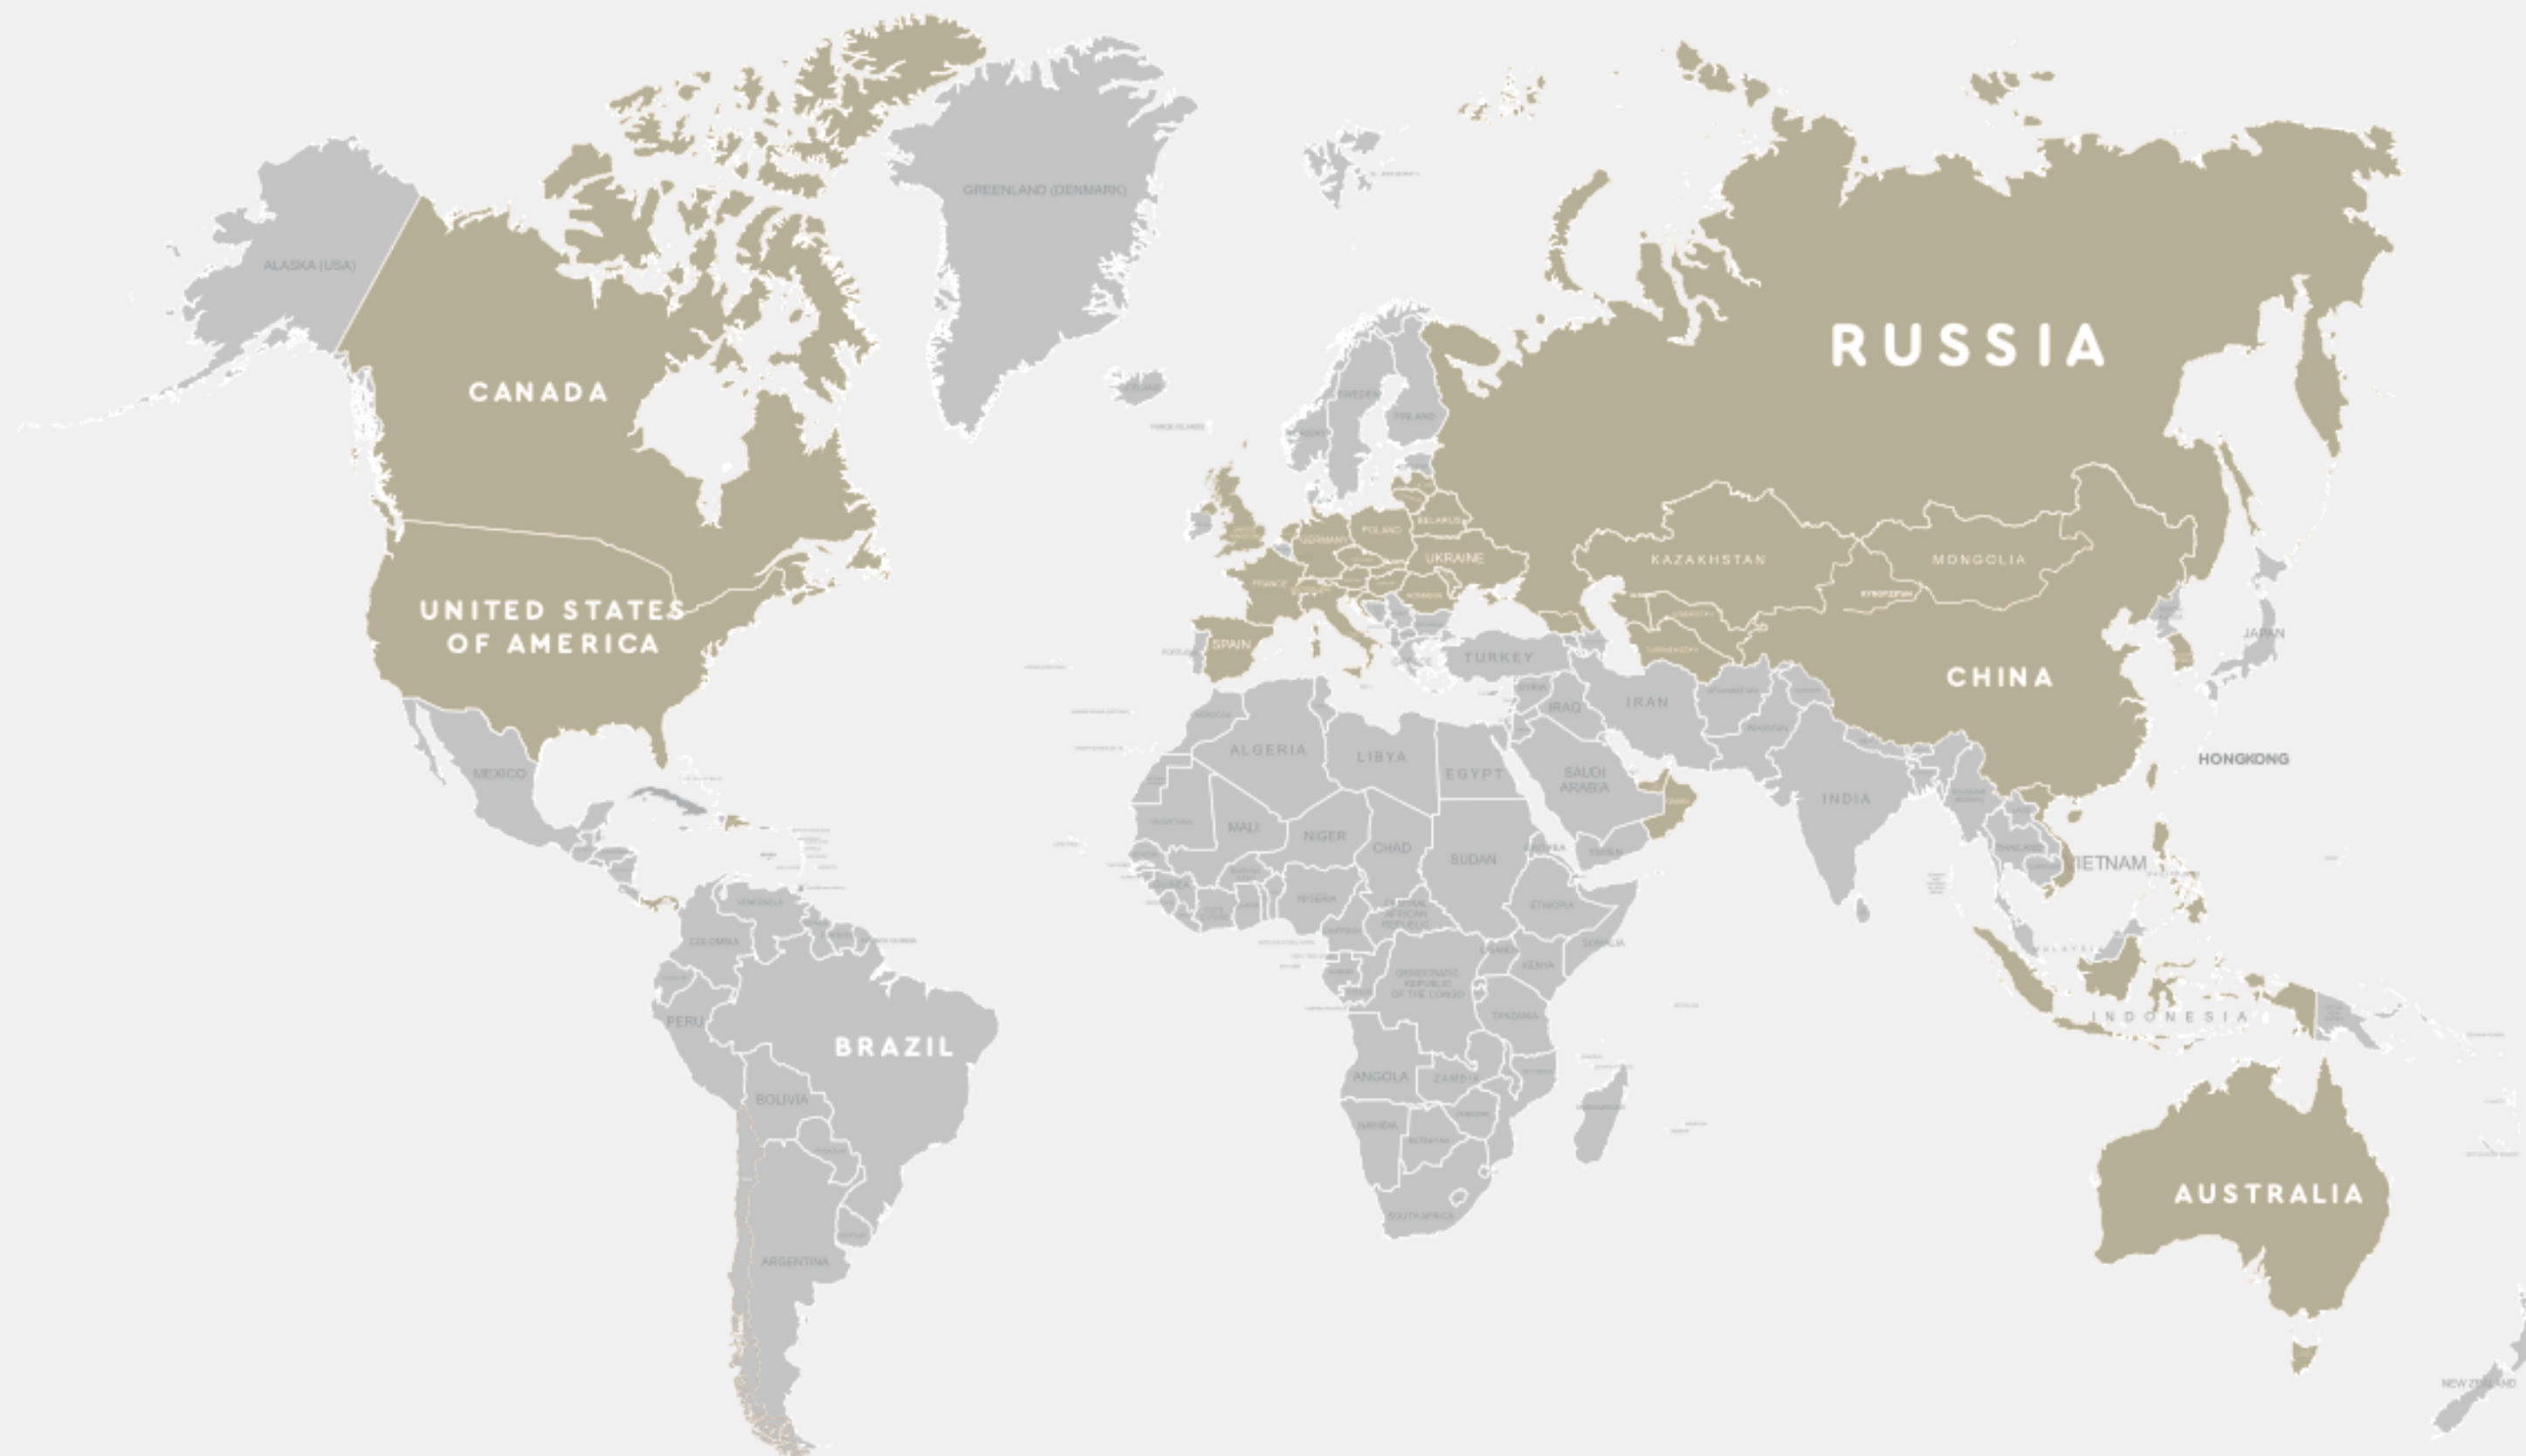

On 21 hectares are grown: **140** varieties, of which **46** are exclusive from the world's best breeders, **21** garden like rose varieties, **37** luxury garden rose varieties, **+31** luxury spray roses and **51** premium varieties.

- Rdc is constantly working to create a really amazing product, growing premium roses targeted to a luxury segment.
- To make our product even better, we combine smart packaging with top notch service that will remain in the memory of our customers, encouraging them to return more than once.

- We are always innovating and renewing our variety assortment in each farm; expanding the product line, and monitoring the market for new trends.
- RDC serves as an experimental laboratory, where new varieties are regularly tested.

- The farm Involves artificial intelligence in quality control.
- RDC uses its own IT technology, Sagat Farm.
- We also work closely with the independent quality control expert High Control Group.
